MICHIGAN DONATED DENTAL SERVICES (DDS)

In response to your recent inquiry about the availability of free or low-cost dental care, we are pleased to provide the following information about the Donated Dental Services (DDS) program.

ELIGIBILITY: Dentists in Michigan volunteered to provide comprehensive dental care at no charge to people of all ages who, because of a serious disability, advanced age, or medical problems, lack adequate income to pay for needed dental care. There are no rigid financial eligibility requirements.

COST: There is generally no cost to qualifying individuals; occasionally, people in a position to pay for part of their care may be encouraged to do so, especially when laboratory work is involved.

APPLICATION PROCEDURES:

- Step One please complete, sign, and return the enclosed application,
- Step Two when your application comes up for review, a referral coordinator will call to obtain additional information (those who don't qualify will be told so during the call),
- Step Three the referral coordinator will share the information about a person tentatively accepted with a volunteer dentist,
- Step Four you will be notified of the dentist's name and phone number and you will be responsible for scheduling an appointment for an examination. Final acceptance into the program will only be made after the clinical examination when the specific treatment needs are established.

Upon receipt, your application will be placed on our waiting list. Please be patient; due to program limitations, we are not able to process each application as soon as it is received. The referral coordinator will contact you when your application comes up for review.

We are sorry you are experiencing a dental problem and we hope the Donated Dental Services (DDS) program may be a source of some help.

Sincerely,

Michele Sanders
DDS Program Coordinator

ADDITIONAL INFORMATION

Use this space to elaborate on any information not sufficiently explained in other areas.

Please read the following statements. If you understand and agree to the conditions, please sign and date the form at the bottom.

I understand that I will need to provide personal information that includes but is not limited to medical, dental, and financial condition.

I give my consent for the referral coordinator to obtain information, relevant to my eligibility for the DDS program, from my physician, dentist, individuals who know me and/or government or private agencies.

I give permission for the referral coordinator to share pertinent information, about my eligibility, with one or more volunteer dentist in the DDS program. If my disability is AIDS or HIV related, I give the Foundation of Dentistry for the Handicapped (FDH) permission to release information about my medical condition and hold FDH harmless for doing so.

I realize that application to the DDS program does not assure I will be referred for an examination or that I will be accepted as a patient following an examination.

I understand that the Foundation of Dentistry for the Handicapped, which coordinates the DDS program, will determine whether I am eligible for the program and, if so, will seek to refer me to a participating volunteer dentist. I further understand that the dentist, not the Foundation, is solely responsible for diagnosis and any possible treatment that I might receive for my dental needs.

I understand that the dentist(s) have volunteered to treat my existing dental condition only and are not obligated to provide donated care in the future or to maintain me as a patient.

I understand that importance of keeping all scheduled appointments. Failure to do so, without at least 24 hour notice to the dentist, can and will disqualify me from obtaining further treatment through the program.

To the best of my knowledge, the information provided on this form is a full and accurate disclosure of my current physical, mental and financial status.
